**Interest of J.G. & D.M.**

**No. 20110046**

**Per Curiam.**

[¶1] K.M., the mother, appealed from a district court order affirming a juvenile court's finding of deprivation and continuing placement of J.G. and D.M. with Cass County Social Services for six months. On appeal, K.M. argues the evidence presented did not support a finding of deprivation by clear and convincing evidence. She also argues the juvenile court erred because the evidence presented did not support a finding that the extension of custody was necessary to accomplish the purposes of the prior custody order. We affirm under N.D.R.App.P. 35.1(a)(2).
